

Delish Delivered

fresh, prepared meals to your door

HOW IT WORKS:

We are excited to have you join us, and look forward to providing you with fresh-cooked, delicious, wholesome meals. Meals are delivered between 3pm and 5pm Mondays and Wednesdays immediately after they are cooked and chilled. Meals are good in the fridge for at least 4 days or they can be frozen so why not order several to have on hand?

Subscription or A la Carte- If you set up a recurring charge of at least \$80, you will get the lower price of \$10 per meal/\$25 per family meal. If you order as needed (a la carte) the meals are \$12 per meal/\$30 for family meals. Your payment goes into your “digital wallet” to be used toward meals. If you order more than your wallet balance, you still get subscriber pricing. If you order less, the remaining amount stays in your wallet for future orders. Put charges on hold or cancel anytime. Of course you are always welcome back! You can choose several weeks of meals right away, or just let us know your selections by 12pm the Saturday before your delivery. The recurring charges renew every 4 weeks. If you order A la carte, you will not be charged again until your next order.

We Are Very Flexible!! Vacation, Service Breaks and Ordering

We want our customers to be happy! If you will be away for vacation, need to cancel or add meals, change your selections or cancel your recurring plan, simply log in and make your changes, send an email, or give us a call. You will never pay for meals you did not get. Additions and new orders can be done on the website or feel free to call or send an email with selection numbers. You may order several weeks at a time if you would like. We shop for the whole week on Sunday so if possible we would like to know about any changes by **12 PM the Saturday before your delivery** (some exceptions are fine).

Portions- Our portions will satisfy one hungry adult. Our Family Meal serves two adults and two kids under age 12 or 3 adults and is equal to approximately 3 of the regular adult portions.

Delivery- Meals are delivered between 3:00 and 5:00. Delivery is FREE if you live in 53092, 53097, 53217, 53210, 53211, 53024, 53025, 53012, 53213, 53222, 53226, 53223, 53074 and some parts of Glendale. If you are not in our free area we can still deliver to you for a small charge. If Wednesday delivery is ok, you could order any or all of the meals offered in a week, including the meals cooked Monday, and pay one delivery charge. You could also split the charge if you have coworkers, friends or neighbors getting a delivery at the same location.

You don't need to be home for the delivery. Some leave out a cooler or if you prefer, we can provide an insulated bag for \$5 (\$10 for family size). Depending on how busy the route is, we may need to ring the bell and then just leave the meal. Some days, if we waited for everyone who ends up not being home, we would run very late and we don't want anyone to be starving!

Tipping is not common or expected! This is because of the subscription nature of our service. However, we do not tell the drivers that they must refuse tips.

We Are Open To Feedback! We strive daily to make improvements so please feel free to let us know your thoughts on how we can be better.
